

Listen to this story:
[Moonshot](#)
[The Flight of Apollo 11](#)

Optional:
[Draw and write](#) about what you learned from the book.

Español:
 Listen to [Max Viaja a Marte](#) read from space!

You can listen to the story in English, after you hear the Spanish version: [Max Goes to Mars](#).

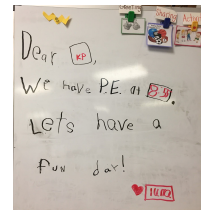

[Starfall](#)

Learn about the sleep stations on the [International Space Station](#) and create your own sleep station!

Learning Choice Board for the week of June 8

Write a morning message to these [NASA astronauts](#).

Missing number Grid

Print out one of the missing number grids and ask your child to fill in the numbers. When the grid is complete, point and count backward from 20 and after you get to one say "blast off!" and jump as high as you can.

Can you figure out what the theme is for this week?

1. Have fun!
2. Complete as many of the boxes as you can, in any order you choose.

Night Sky

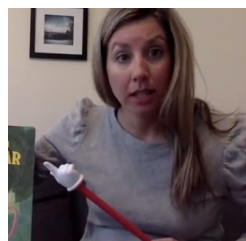

Check out some pictures and information about [What's In Space?](#)

Draw and write about what you see. Tonight, look up at the night sky in Brookline: What do you notice? What do you wonder? Draw and write your observations. Look up at least 2 more times this week and record observations. Did you notice any changes?

Q
 Try some [Space yoga!](#)

[Read along with Ms. Newell!](#)

Asteroid Collecting

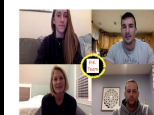

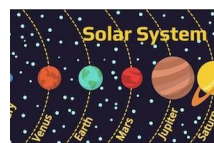

Go on a walk to collect some rocks to be asteroids and then try this game.

[We All Live in the Milky Way](#)

Sing and dance along!

Make your own [playdough](#) with [Ms. Black](#), then make a playdough model of the [planets!](#)

Star Jump

Jump up with your arms and legs spread out like a star. Do 10 then rest and repeat.
